Fine Arts Boosters

Supporting the efforts of Green Hope High School's Fine Arts:
Art Chorus Dance Drama Orchestra
www.greenhopefinearts.org

- FAB is an organization of parents just like you and other members of our community who are committed to excellence in arts education for our children. We coordinate and provide volunteer and financial help for performances, competitions, exhibitions, and fundraisers as needed by Fine Arts teachers/classes. We have bi-monthly meetings, held in the Media Center at GHHS. Information on upcoming performances and teacher/student needs are discussed. All FAB members and sponsors are welcome to attend.
- FAB Funds go directly to the Fine Arts programs. We provide much-needed assistance in areas where government funding falls short. Each Fine Arts area receives allotted funds, which are used to support their programs/students*. We have also awarded scholarships to graduating seniors over the past several years. *SEE BACK of FORM for more details.
- FAB Membership fees and the generous donations of sponsors are our only source of income, although each of the 5 fine arts areas may also choose to hold individual fundraisers to meet a specific group goal.
