Potential Corporate Sponsor:

Green Hope High School Fine Arts Boosters need your help. Fine Arts programs in public schools face continual assaults as funding from the state and local government is slashed and yearly budgets decreased. Due to population growth and financial pressures, fewer and fewer public schools, particularly newly constructed Middle and High schools, are even offering Fine Arts programs, such as Chorus, Dance, Orchestra, and Visual Arts, to the lasting detriment of our children and community.

Last year with support from our community of parents and corporate sponsors, we were able to provide supplemental funds for Fine Arts teachers to purchase supplies and equipment (musical instruments, music, recording equipment, set construction supplies, art supplies, etc.). In addition, we provide funds to support clinicians and teacher training, theatre productions, dance performances, art displays, orchestra and choral concerts as well as awarding past scholarships to college-bound graduating seniors. This year we look forward to another successful year for the arts with support from the Green Hope community.

We are asking for your help. It is likely you have employees or customers whose children attend Green Hope High School. By becoming a sponsor, any donation you can make will directly benefit those and other students in the community. This year we are asking for general contributions to support all programs, or for a targeted contribution to help with the purchase of a big-ticket item that will have broad impact on all Fine Arts programs. This year we are collecting targeted funds to purchase sound stage panels for our auditorium, which will significantly enhance the quality of the musical and choral performances.

In appreciation for your support, the Fine Arts Boosters will recognize your company as a corporate sponsor by showcasing your generosity to the community in various programs and other venues as they are scheduled. We will also provide you a schedule of upcoming events along with your tax-deductible receipt. A list of Sponsorship Levels can be found at our website:

Thank you in advance, for your consideration of support for the fine arts at Green Hope High School. We look forward to working together with you in our community. If you should have any questions in the meantime, please feel free to contact me by phone or email.

Sincerely,

*Ann M Richard*
