A completed student entry form is required for each art piece submitted. Students selected to advance to the next level will be asked to complete a required online student entry form for tracking purposes.

Dance Choreography Description:

A dance choreography entry must be an original choreographed dance recorded on a DVD. The choreography must be the work of one student and must demonstrate creativity and interpretation of the current National PTA Reflections[®] Program theme. The choreographer may be the performer or one of the performers, but does not have to be. Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. Therefore, it is very important that the student show a clear relation of the dance choreography to the theme. The connection should be made evident through the use of song, props, and the dance itself.

Traditional Dance

The modification of the steps and the interpretation of the dance are considered when judging a traditional dance for creativity and/or originality. An explanation of the origin of the dance and/or the significance of the choreography might be a useful addition to the artist statement when submitting a dance choreography entry that involves traditional cultural or regional dances.

Presentation:

- Entries may not exceed five minutes.
- The dance choreography should directly relate to the theme.
- Submit a DVD of a performance of the dance choreography. Label DVD with student's name and school name.
- Use of copyrighted music in dance choreography is **acceptable** when the **title, composer and performer of any music in the submission are cited** on the student entry form.

Recommendations for Quality Recordings:

- Use a tripod to hold the camera still.
- Make sure there is plenty of lighting, especially if shooting indoors.
- Turn off all noise-making devices in the room (air conditioners, fans, telephones, etc.).
- Make sure the background music (if any) is audible on the recording.
